FEASIBILITY STUDIES AND DUE DILIGENCE INVESTIGATION SERVICES

WEIR's feasibility studies are widely recognized as "bankable" documents by coal, industrial minerals and metal mining companies, and financial institutions. This reputation has been earned through our detailed evaluation and analysis, knowledge of all aspects of a mining operation, and the engineering and operations experience of our mining and geology personnel.

For producers, lenders and potential purchasers of properties, WEIR's studies have proven to be detailed and thorough, providing for informed decisions regarding the property or opportunity evaluated.
